**1. RECIPIENTS OF THE OFFER:** The Offer is addressed to all shareholders of the Issuer (the "Recipients"). Shareholders of the Issuer that have their Common Shares registered through the facilities of the Toronto Stock Exchange must follow specific instructions in order to participate in the OPA. These instructions are set out in detail in the Offer Booklet, which can be obtained by shareholders as indicated in paragraph 14 below.

**2. MINIMUM AND MAXIMUM NUMBER OF COMMON SHARES TO BE ACQUIRED:** The Offeror submits the Offer to acquire at least 25,477,680 Common Shares of the Issuer, which, according to the public information available through the RNVE as of October 10, 2024, represents 8.50% of the subscribed, paid, and outstanding shares of the Issuer, and at most 31,862,086 Common Shares of the Issuer, equivalent to 10.63% of the subscribed, paid and outstanding Common Shares of the Issuer, as per the public information available through the RNVE as of October 10, 2024.

In accordance with Article 3.3.3.14 of the BVC's General Regulations, if the number of acceptances of the Offer exceeds the maximum number of shares mentioned in this Notice, the Offeror may, through BTG Pactual S.A. Brokerage Firm, modify the maximum quantity offered only as provided in the BVC regulations.

Additionally, as established in Article 3.3.3.14 of the BVC Regulations, if the number of acceptances of the Offer is less than the minimum number of shares mentioned in this Notice, the Offeror may, through BTG Pactual S.A. Comisionista de Bolsa, modify the minimum quantity offered only in the terms provided for in the BVC regulations.

The allocation process among accepting parties will be governed by the procedure provided in Articles 3.3.3.14 and following of the BVC's General Regulations and Article 3.9.1.5 of the BVC's Sole Circular.

**3. PERCENTAGE OF VOTING CAPITAL OF THE ISSUER OF WHICH THE OFFEROR IS THE BENEFICIAL OWNER:** The Offeror declares that, as of the date of submission of this Offer Notice, it directly holds Common Shares of the Issuer, equivalent to 24.99% of the subscribed, paid, and outstanding Common Shares of the Issuer.

---

<sup>1</sup> Given that the Offer will take place in Colombia and the Issuer has shares listed in Canada, the corresponding documents will be issued in both Spanish and English, with both versions properly reconciled. However, the Spanish version shall supersede in all cases.

**4. CONSIDERATION OFFERED FOR THE COMMON SHARES:** The Offeror offers Colombian pesos ("COP") or United States dollars ("USD") as consideration for the Common Shares of the Issuer.

**5. PRICE OFFERED FOR PURCHASE:** The purchase price per Common Share of the Issuer will be 0.975 Canadian dollars, payable in cash and in COP or USD, as indicated in Section 6 of this Offer Notice (the "Price").

**6. SETTLEMENT PERIOD AND PAYMENT METHOD:** The Price payment will be made in cash, as follows. The payment will be made on a T+3 securities settlement basis, where "T" corresponds to the date on which the BVC informs the Colombian Superintendence of Finance (the "SFC") and the market of the result of the OPA (the "Allocation Date"), and "+3" indicates that the payment will be made on the third business day following the Allocation Date, subject to the regulations of the public securities market.

The settlement and clearing of the transactions will be carried out through the BVC's clearing and settlement system.

The respective brokerage firm through which each seller acts will be responsible for verifying the validity and effectiveness of the shareholder's title over the Common Shares offered for sale. It must comply with the delivery of the sold Common Shares in a condition to be transferred to the Offeror, free of liens, ownership restrictions, limitations on the exercise of rights contained in the title, and any demand, precautionary measure, or pending litigation that may affect ownership or its free negotiability. The total amount sold must be delivered in the same manner, that is, by electronic transfer through the Central Securities Depository of Colombia (*Depósito Centralizado de Valores de Colombia S.A. – DECEVAL*).

The transfer of the Common Shares will be made through the Central Securities Depository - DECEVAL, and as a result, compliance with the transactions arising from the Offer cannot be effected through the delivery of physical titles.

In all cases, the transfer must comply with the provisions of Articles 3.3.3.15 and 3.3.6.1 of the BVC Regulations, Article 60, and following of DECEVAL's operational regulations, and other applicable regulations.

For Recipients who choose to receive payment in Colombian pesos, the Price per share in COP will be calculated using the TRM (representative market rate) published and certified by the SFC in effect on the Award Date, divided by the CAD to USD exchange rate published by the Bank of Canada on the day prior to the Award Date at 4:30 p.m. Toronto time. This calculation will be rounded to two (2) decimal places.

For Recipients who choose to receive payment in U.S. dollars, the Price per share in USD will be calculated using the CAD to USD exchange rate published by the Bank of Canada on the Award Date at 4:30 p.m. Toronto time. This calculation will be rounded to two (2) decimal places.

In accordance with Article 3.3.3.15 of the BVC Regulations, for Recipients opting to receive payment abroad, payment will be made directly by the Offeror in US dollars.

For this purpose, Recipients of the Offer opting to receive payment abroad in US dollars must comply with the applicable foreign exchange regulations, the following procedure, and/or any other procedure defined in the operational instructions issued by the BVC:

- (i) Inform, through their brokerage firm, when accepting the Offer, their desire to receive payment abroad in US dollars.

Comisionista de Bolsa, the brokerage firm acting on behalf of the Offeror, so that, once the corresponding Swift message is transmitted for payment, BTG Pactual, in the name of the Recipient, informs the BVC to declare the operation completed and proceed with the delivery of the corresponding Common Shares through the respective depository, pursuant to Article 3.3.3.15 of the BVC Regulations.

(B) Any other information indicated at the following link <https://www.btgpactual.com.co/es/que-hacemos/wealth-management> and/or in the operational instructions issued by the BVC.

Please note that Recipients of the Offer opting to receive payment abroad in US dollars are solely responsible for meeting any foreign exchange, accounting, legal, tax, or other requirements required by Colombian authorities. Additionally, Recipients who have sold their Common Shares to the Offeror under this OPA and have requested payment abroad in US dollars but have not complied with the established procedure, including submitting the required documents, will receive payment in Colombian pesos through the established securities market procedures.

**7. GUARANTEE:** In accordance with the provisions of Article 6.15.2.1.11 of Decree 2555, Articles 3.3.3.2 and following of the BVC Regulations, and Articles 3.9.1.1 and following of the BVC Circular, the Offeror must provide a guarantee in favor of the BVC to support the fulfillment of the obligations arising from this Tender Offer. The guarantee must cover at least twenty-five percent (25%) of the total value of the Tender Offer, amounting to CAD 7,766,383.46, equivalent to COP 24,608,291,400 as of the date of filing the authorization request for the Offer. This guarantee may also be used for the payment and fulfillment of the transaction, provided that such fulfillment is made in Colombian pesos.

The minimum value of the guarantee is determined by multiplying: (i) the Price offered per share, which is equivalent to CAD 0.975, by (ii) the maximum number of shares subject to this Offer, equivalent to 31,862,086 common shares of the Issuer, by (iii) the TRM (representative market rate) published and certified by the SFC in effect on the date of filing the authorization request for the Offer (4,192.56), divided by the CAD to USD exchange rate published by the Bank of Canada on the day prior to the filing date of the Offer authorization request (1.3761), and then multiplying

by (iv) twenty-five percent (25%), corresponding to the guarantee percentage according to the Offer price. This result is then multiplied by a factor of 1.04 to provide additional coverage against potential fluctuations in the USDCOP and USDCAD exchange rates. This corresponds to COP 24,608,291,400, which is equivalent to 18,929.45 legal minimum monthly wages, or less than 175,000 legal minimum monthly wages.

The guarantee must be established no later than the business day before the publication of the first Offer Notice and shall remain in effect for at least fifteen (15) calendar days following the date on which the payment period for the Common Shares subject to the Offer expires, and in any case, it must be in force until the operation is completed. Notwithstanding the above, once the OPA is completed, the Offeror may request the BVC to cancel the guarantee.

**8. PERIOD AND PROCEDURE FOR SUBMITTING ACCEPTANCES:** Acceptances of the Offer must be submitted within a period of ten (10) business days from the start date of the acceptance period, i.e., between November 20, 2024, and December 3, 2024 inclusive, at the BVC, from 9:00 a.m. to 1:00 p.m. In accordance with Decree 2555, the start date of the acceptance period for the Offer shall not be less than five (5) business days, counted from the business day following the publication of the first Offer notice.

Recipients may submit acceptances through any brokerage firm that is a BVC member during the acceptance period. Acceptances must be submitted according to the procedures indicated by the BVC through the Operational Instructions issued for this purpose.

Since the acceptance period is ten (10) business days, it may be extended, without exceeding thirty (30) business days in total, in accordance with Article 6.15.2.1.7 of Decree 2555.

The expenses incurred by shareholders for accepting and settling the OPA will be their responsibility. Hiring a brokerage firm, which is an essential requirement to accept this Offer, may imply paying a commission for the execution of the share sale transaction under the OPA. The mentioned commission is subject to a 19% VAT.

**9. EXISTENCE OF PRE-AGREEMENTS:** The Offeror has entered into a pre-agreement dated September 17, 2024, related to the Offer operation with the shareholders Banderato Colombia S.A.S. and Acciones y Valores Nuevo Milenio S.A., in accordance with Section 4.11 of the Offer Booklet. The Offeror holds, directly or indirectly, Common Shares of the Issuer equivalent to 24.99% of the Issuer's subscribed, paid, and outstanding Common Shares.

**10. STOCK EXCHANGE WHERE THE SECURITIES ARE REGISTERED AND WHERE THE TRANSACTION WILL BE PROCESSED AND EXECUTED:** The securities are listed on the BVC and on the Toronto Stock Exchange. This Offer will be made and executed on the BVC.

**11. BROKERAGE FIRM THROUGH WHICH THE PURCHASE OPERATION WILL BE CARRIED OUT:** The purchase operation will be carried out through BTG Pactual S.A. Comisionista de Bolsa, a BVC member, with its registered office in the city of Medellín at Carrera 43 A No. 1-50, Tower 2, 10th Floor. The Recipients interested in accepting the Offer may do so through any brokerage firm that is a member of the BVC.

**12. AUTHORIZATIONS OF THE OFFEROR:** According to the Offeror's bylaws, the Legal Representative is authorized to carry out, in the name and on behalf of the Offeror, all activities and sign all documents necessary to submit this Offer and has all the statutory and legal powers required to carry out the Offer under the terms and conditions established in the Offer Booklet. Therefore, no corporate authorizations of any kind are required for this Offer. However, as a support measure, a corporate authorization for the operation is provided in Annex L of the Offer Booklet.

**13. THIRD-PARTY AUTHORIZATIONS:** The SFC approved the public tender offer for the Issuer’ s Common Shares through Official Letter No. 2024150575-014-000 issued on November 7,2024.

This operation does not require notification or further action before the SIC, as it is not expected to result in a business integration. However, in March 2024, the Offeror notified the SIC about a prior share purchase, and the SIC acknowledged receipt with no objections. This acknowledgment is included in Annex I of the Offer Booklet.

**14. OFFER BOOKLET:** The Offer Booklet will be available to the Recipients of the OPA at (i) the SFC, located at Calle 7 No. 4 - 49, (ii) on the BVC website at <http://www.bvc.com.co> – Opción Financiate – Prospectos – Acciones, and (iii) at the offices of BTG Pactual S.A.
